BRONZO CHAMPAGNE
TITANIO

Un telaio in alluminio che supporta svariati materiali quali la preziosa e naturale ceramica, il vetro, le essenze e molto altro, liberando così le più sofisticate fantasie progettuali.

Un cadre en aluminium qui supporte une variété de matériaux tels que des matériaux précieux, des céramiques naturelles, du verre, du bois et bien d'autres encore, libérant ainsi les fantaisies de conception les plus sophistiquées.

An aluminium frame that supports various materials such as precious and natural ceramics, glass, wood and much more, thus making way for the most sophisticated design imagination.
